I wanna be free I got something to say  
Why does it have to be this way  
Now that we've ran out of love  
Why should our feelings be so feared  
So have no fell  
Now it's clear  
What we fear  
It's sincere  
Take my hand and let's dance  
Tonight we'll let the music take us high  
Let's wake up  
Let's make love  
Let's speak love  
I'm gonna say it again  
Let's wake up  
let's make love  
let's speak love  
I'm gonna say it again and again  
Day after day (day after day)  
Night after night (night after night)  
I work so hard to make it right  
Don't wanna hear them tell me what to say or do  
Cuz you know it's true  
Now it's clear  
What we fell  
It's sincere  
Take my hand and let's dance  
Tonight we'll let the music take us high  
Let's wake up  
Let's make love  
Let's speak love  
I'm gonna say it again  
Let's wake up  
Let's make love  
Let's speak love  
I'm gonna say it again and again  
Let's wake up  
Let's make love  
Let's speak love  
I'm gonna say it again  
Let's wake up  
Let's make love

Let's speak love  
I'm gonna say it again and again  
Let's wake up...  
Let's wake up  
Let's make love  
Let's speak love  
I'm gonna say it again  
Let's wake up  
Let's make love  
Let's speak love  
I'm gonna say it again and again.  
Let's wake up  
Let's make love  
Let's speak love  
I'm gonna say it again  
Let's wake up  
Let's make love  
Let's speak love  
I'm gonna say it again and again
