My love is filled with danger
it will put you on your knees
but is no secret, you are not stranger
to spend that so sweet

Have no fear and taste me darling
I am everything you need

I can be the sweetest sin,
are you caught on sin?
I can your the sweetest sin,
whatever that you're in

Dressing red i'll drive you wild,
no tasting me is too mild,
enjoy my flavor, enjoy which ride
is your last chance tonight

Juices pour from my red lips
and your heart just skipped a bit

I can be the sweetest sin,
are you caught on sin?
I can your the sweetest sin,
whatever that you're in

I can be the sweetest sin,

you're in for a treat,
I can be as sweet as sin,
enjoy with my heat

My skin is like fire to your hands
so now enjoy it while you can
because when you least expect it
I will waive the way you heart

I can be the sweetest sin,
are you caught on sin?
I can your the sweetest sin,
whatever that you're in

Dressing red, dressing red,
dressing red, dressing red

Have no fear and taste me darling

I can be the sweetest sin,
are you caught on sin?
I can your the sweetest sin,
whatever that you're in

I can be the sweetest sin,
you're in for a treat,
I can be as sweet as sin,
enjoy with my heat
