Everybody wants to live, like they wanna live and  
Everybody wants to love, like they wanna love and

Everybody wants to be  
Closer to Free

Everybody wants respect  
Just a little bit  
And everybody needs a chance once in awhile

Everybody wants to be  
Closer to Free

Everybody one, everybody two, everybody free  
Everybody needs to touch, you know, now and then  
And everybody wants a good, good friend

Everybody wants to be  
Closer to Free

I said everybody one, everybody two, everybody free  
Everybody wants to live  
Like they wanna live and  
Everybody wants to love like they wanna love and

Everybody wants to be  
Closer to Free

Yeah, Closer to Free  
Yeah, Closer to Free  
Closer to Free
