Spinning around round spinning around
The surround sound spinning around
Round round down underground
The surround sound spinning spinning spinning
spinning spinning around
Rocking the boat on the Atlantic waves
Burning the tarmac at the JFK
Pulling a train across the midwest plains
Driving a limo down the carpool lane
Weve been conquering America
Heads are spinning around
Weve been conquering America
Lips are kissing the ground
Spinning around round spinning around
The surround sound spinning around
Round round down underground
The surround sound spinning around
Land of the free I break a look mundane
Home of the brave I take a walk on fame
Chasing a dream inside the melting pot
Closing the gap Im gonna shoot my shot
Weve been conquering America
Heads are spinning around
Weve been conquering America
Lips are kissing the ground
Spinning around round spinning around
The surround sound spinning around
Round round down underground
The surround sound spinning around
Lhomme avec les cigarettes et le chewing gum
Mon ami amricain
Lhomme avec les cigarettes et le chewing gum
Mon ami amricain
Spinning around
Weve been conquering America
Heads are spinning around
Weve been conquering America
Lips are kissing the ground
Spinning around round spinning around
The surround sound spinning around
Round round down underground

The surround sound spinning around
Together
Weve been conquering America
Heads are spinning around
Weve been conquering America
Lips are kissing the ground
Spinning around round spinning around
The surround sound spinning around
Round round down underground
The surround sound spinning around
