Now, now that you're gone  
I see that I was blind  
Now, now that you're gone  
I cry  
Now, now that you're gone  
My world's turning to stone  
Now, now that you're gone  
I'm alone  
So many nights you would beg me to stay  
So many times I would leave anyway  
I had love in the palm of my hand  
Why didn't I understand?  
Now, now that you're gone  
I see that I was blind  
Now, now that you're gone  
I cry  
Now, now that you're gone  
My world's turning to stone  
Now, now that you're gone  
I'm alone  
I should have seen all the tears that you cried  
I should have been there to hold you at night  
Now I know just what I should do  
Now that you're gone I love you  
Now, now that you're gone  
I see that I was blind  
Now, now that you're gone  
I cry  
Now, now that you're gone  
My world's turning to stone  
Now, now that you're gone  
I'm alone  
Now, now that you're gone  
I see that I was blind  
Now, now that you're gone  
I cry  
Now, now that you're gone  
My world's turning to stone  
Now, now that you're gone  
I'm alone
