Well, I never was good at bein' good

I was never very kind

And if I said you're the only one

Well, Baby I was lying

And I never did take to holdin' you

The way a man should

'cause ever since you left me Babe

Well, I ain't been very good

Chorus:

I'm In Trouble Again

I'm In Trouble Again (ahhh!)

'Cause ever since you left me Baby

You should see the shape i'm in

Well, I think about the times

You held me up

And kept me on my feet

I haven't really sunk this low

And I don't give a damn about me

And it's hard to love a losin' man

Much harder than you think

You'll have to tear yourself away

Before you both start to stink.

Chorus:

I'm In Trouble Again

I'm In Trouble Again (ahhh!)

'Cause ever since you left me Baby

You should see the shape i'm in

WHOA

WHOA

WHOA

WHOA

Well, many is the time I lye awake

Shiverin' in the Cold Black Night

Never is the time I tell myself

Hey it's gonna be allright

And I wish I could've took to holdin' you

The way a man should

'Cause ever since you left me Babe

Well, I aint been very good

Chorus:

I'm In Trouble Again

I'm In Trouble Again (ahhh!)

'Cause ever since you left me Baby
You should see the shape i'm in
