Everybody wants to live,  
Like they wanna live  
And everybody wants to love  
Like they wanna love  
And everybody wants to be  
Closer to free  
Everybody wants respect, just a little bit  
And everybody needs a chance, once in a while  
Everybody wants to be

Closer to Free  
Everybody one  
Everybody two  
everybody free  
Everybody needs to touch  
You know, now and then  
And everybody wants a good, good friend  
Everybody wants to be  
Closer to Free

I said everybody one  
Everybody two  
Everybody Free  
Everybody wants to live  
Like they wanna live  
And everybody wants to love  
Like they wanna love  
And everybody wants to be  
Closer to free  
Yeah, closer to free  
Closer to free
