Yea I gotta a gal, she's lean and mean
She's a crazy little love machine
Shes's my baby, ooh she's my baby, oh yea

Yea she's the kinda gal, love to drive you mad
She's the best thing, I've ever had
She's my baby, Ooh, She's my Baby, oh yea
How am I ever gonna make her see,
She's the only one, the only one for me

She's my baby,
Ooh she's my baby, oh yea

You know I sing the blues, when she goes away
I feel the heat buildin' every single day, for my baby
Ooh, She's my Baby, oh yea
I'm gonna pull the shades, and I'm gonna lock the door
When my baby's, says "Oooh, do it some more" (e-mail
me for the lyric)

She's my baby, ooh she's my baby, oh yea

I said she's a sensation'
Walkin' down the street
She starts the boys a shakin'
from their heads down to their feet

(GUITAR SOLO)

{Oooohhhh!!!}

I said, "I gotta gal, she's lean and mean"
She's a crazy little love machine
She's my baby, ooh she's my baby, oh yea

How am I ever gonna make her see,
She's the only one,
the only one for me,
She's my baby,

Ooh, she's my baby, oh yea

She's my baby,

Ooh, She's my Baby
