Bodies Without Organs
Ooh ooh ooh ooh ooh ooh
Bodies Without Organs
Ooh ooh ooh ooh ooh ooh
Rain thunder rolls
Pain the night is cold
When darkness falls over lonely hearts
If an angel calls can you help me out
Help me out
Cause tonight I'm riding
Riding through the night
Over mountains flying
Until the end in sight
When you feel like crying
Don't turn out the light
I'm by your side turning the tide
Ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh
Stars light the sky
Dreams I wonder why
I can hear your voice whisper in the rain
On my frequency when you call my name
Call my name
Cause tonight I'm riding
Riding through the night
Over mountains flying
Until the end in sight
When you feel like crying
Don't turn out the light
I'm by your side turning the tide
Ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh
Bodies Without Organs
Ooh ooh ooh ooh ooh ooh
Bodies Without Organs
Ooh ooh ooh ooh ooh ooh
Cause tonight I'm riding
Riding through the night
Over mountains flying
Until the end in sight
When you feel like crying

Don't turn out the light
I'm by your side turning the tide
Ooh ooh ooh ooh ooh ooh
Ooh ooh ooh ooh ooh ooh
