When I'm in Berlin you're off to London
When I'm in New York you're due in Rome
All those crazy nights we spend together
As voices on the phone
Wishing we could be more telepathic
Tired of the nights I sleep alone
Wishing we could redirect the traffic
And we find ourselves a home
Can you feel the raindrops in the desert
Have you seen the sunrays in the dark
Do you feel my love when I'm not present
Standing by your side while miles apart
Sunshine in the rain
Love is still the same
Sunshine in the rain
Sunshine in the rain
Love is still the same
Sunshine in the rain
Even if we call the highest power
We can only do one town a time
Words are not enough action speaks louder
Second time around
Can you feel the raindrops in the desert
Have you seen the sunrays in the dark
Do you feel my love when I'm not present
Standing by your side while miles apart
Sunshine in the rain
Love is still the same
Sunshine in the rain
Sunshine in the rain
Love is still the same
Sunshine in the rain
Oh oh la la la
Oh oh la la la
When I'm in Berlin you're off to London
When I'm in New York you're due in Rome
All those crazy nights we spend together
As voices on the phone
Can you feel the raindrops in the desert
Have you seen the sunrays in the dark
Do you feel my love when I'm not present

Standing by your side while miles apart
Sunshine in the rain
Love is still the same
Sunshine in the rain
Sunshine in the rain
Love is still the same
Sunshine in the rain
