Walking the night in the city  
Crossing the strangest of lines  
Dressed up to show nitty gritty  
Trekking while reading the signs  
Driving the road down my valley  
Cruising the land in a park  
This is the life up my alley  
Cause this is my home after dark  
Ooh can you hear me walking  
Hear me walking the night  
Walking the night walking the night  
Walking the night  
I said ooh can you hear me walking  
Hear me walking the night  
Walking the night walking the night  
Walking the night  
Living the life of a stranger  
Crossing a dangerous zone  
Warning goes out for that danger  
Danger of turning a clone  
Gambling to score on a street fight  
High as a kite and aloof  
Planting my seed under street lights  
Cause passion is the root to my groove  
Ooh can you hear me walking  
Hear me walking the night  
Walking the night walking the night  
Walking the night  
I said ooh can you hear me walking  
Hear me walking the night  
Walking the night walking the night  
Walking the night  
Glitzy girls walk the walk in Margiela  
Strip the strip and smack bon-bon  
Boys with guns customize the favelas  
Splashed out in Commes des Garcons  
Ooh can you hear me walking  
Hear me walking the night  
Walking the night walking the night  
Walking the night  
Can you hear me walk hear me walk

Hear me walk the night  
Can you hear me walk hear me walk  
Hear me walk the night  
Can you hear me walk hear me walk  
Hear me walk the night  
Can you hear me walk hear me walk  
Hear me walk the night
