Meet, some girls every once in a while
But it's always the same
Start out walkin' on a sunny day,
And you end up caught in the rain
Well I'm lookin for somethin' that I ain't known,
Lookin for somethin that's rollin' home
What it Feels Like,
Wanna know, What it Feels Like,
Yea, yea, What it feels like
To be in love, really be in love
This and that and the other thing,
Don't mean nothin to me
Just for once, for once in my life
I wanna be able to see
Holdin' your hand,
Lookin' in your eye,
I don't know the reason why
What it Feels Like,
Wanna know, What it Feels Like,
Yea, yea, What it Feels Like
To be in love, really be in love
And I don't wanna say, that it's now
Or it's never, but I've waited so long,
For someone who will be more than a lover, yea, yea
(GUITAR SOLO)
Oh yea,
What it Feels Like,
Wanna know, What it Feels Like,
Yea, yea, What it Feels Like
To be in love, oh yea
What it Feels Like, to be in love
Whoa, to be in love, yea, to be in love, oh yea
