you don't have to wear designer clothes
if you don't want to
i don't care what kind of car you drive
it wont define you

i see past the surface
the gliter and the gold
to the place that really matter
to your soul

and it's you
i'm in love with
it's you
i want most
when it all come down
it's not wat you do
it's you yeah x9

you don't need to be perfect
all the time
but you try to
you don't have to conquer the whole world
i'll do it for you
it's not about how hard you work
or who your tryin' to be
but what i care the most about is
that you see

that it's you
i'm in love with
it's you
i want most
when it all come down
it's not wat you do
it's you x2

its you smile
it's your laugh
it's the look that you have
everytime you believe

that it's you
i'm in love with
it's you
i want most
when it all come down
it's not wat you do
it's you x2

when it all come down
it's not wat you do
it's you yeah x9

designer clothes
and fancy car
i want you the
way you are yeah
you dont have to work it out
that's not what i'm all about yeah

you don't have to wear designer clothes
if you don't want to no
