One of these days I'm gonna fly over the mountain
One of these days I'm gonna ride on the silver linin'
One of these days I'm gonna witness all I've been
missin'
One of these days

One of these days I'm gonna do all the things that I've
never done
I'm gonna finish all the races that I've run but I've never
won
And I'm gonna see a million faces and recognize
everyone
One of these days

One of these days
I'm gonna see the hand that took the nails for me
One of these days
I'm gonna hold the key to the mansion built for me

One of these days
I'm gonna walk the streets of gold that were paved for
me
One of these days
I'm gonna see my Savior face to face
One of these days

One of these days I'm gonna see just what became of
me
On the day that I believed when You took myself from
me
And I believe I will see what I would have been if You
didn't save me
One of these days

And one of these days I'm gonna talk
With all the saints that have gone before
And in their sandals I will walk and we will sit along the
shore
And I will learn all the things that I never knew before
All this and more

One of these days

I'm gonna see the hand that took the nails for me
One of these days
I'm gonna hold the key to the mansion built for me

One of these days
I'm gonna walk the streets of gold that were paved for
me
One of these days
I'm gonna see my Savior face to face
One of these days

One of these days, one of these days
One of these days, one of these days

One of these days I'll finally be
In a place where there's no more need
No more pain and no more grief, no more foolish
disbelief
And all the joy there will be when at last we finally see
One of these days

One of these days
I'm gonna see the hand that took the nails for me
One of these days
I'm gonna hold the key to the mansion built for me

One of these days
I'm gonna walk the streets of gold that were paved for
me
One of these days
I'm gonna see my Jesus face to face
One of these days

One of these days
