"Power In His Blood"

I lie awake hoping that I will hear
Your voice inside my ear, telling me You're near
But I know I'll find my precious peace of mind
When You speak to me just in time
Let me know You still care

There's power in His blood
Forgiveness in His hands
A peace in His love that we can't understand
There's joy in His spirit

There's power in His blood
Forgiveness in His hands
A peace in His love that we can't understand
There's joy in His spirit

Sufficient and full, there's power in His blood
His love is all we need
There's joy in the spirit of the Lord

You are the one who has made me complete
Now I'm kneelin' at Your feet
Knowin' only You can lead me home
I'll stand through it all, waitin' on Your call
Knowin' that You hear my every prayer

There's power in His blood
Forgiveness in His hands
A peace in His love that we can't understand
There's joy in His spirit

There's power in His blood
Forgiveness in His hands
A peace in His love that we can't understand
There's joy in His spirit

Sufficient and full, there's power in His blood
His love is all we need
There's joy in the spirit of the Lord

And I know there's strength in His everlasting word
And I know I'll find all the love I need in His arms

There's power in His blood
Forgiveness in His hands
A peace in His love that we can't understand
There's joy in His spirit

There's power in His blood
Forgiveness in His hands
A peace in His love that we can't understand
There's joy in His spirit

Sufficient and full, there's power in His blood
'Cause His love is all we need
And there's joy in the spirit of the Lord

There's joy in the spirit of the Lord
In the spirit of the Lord
