My head is spinning in the clouds  
I'm lost at sea  
I try so hard to spit it out  
But i still can't breathe  
Tell me where to turn  
Nothing doing  
I'm a ruin  
I'm so lost man, i'm feeling barely human  
Can you get me through?  
Avalon  
Avalon  
I try so hard  
I try so hard  
To be the king of the pool  
But my broken heart  
My broken heart  
Got shot down by the girl  
Tell me where to start, yeah  
There's nothing doing  
I'm a ruin  
I'm so lost man, i'm feeling barely human  
Can you get me through?  
Avalon starts to feel like mythology  
Man at my door  
I can hear legend calling me  
Like i've been here before  
So we raise our glasses high  
And we drink to our health  
But there ain't no elixir in sight  
That could make me feel like myself, hey!  
Yeah, was that legend just a lie or something else,  
man?  
There's nothing doing  
I'm a ruin  
I'm so lost man, i'm feeling barely human  
Can you get me through?  
Can you get me through?  
Can you get me through?  
Avalon  
Avalon  
Avalon
