What you hold dear
Starts to disappear
You can tell what you trust
By the things that you fear

You can look for me, baby
Oh baby I'll be long gone

Yeah who warned you,
You white washed hue?
Please tell me why
As long as they do

You can look for me, baby
Oh baby I'll be long gone

Everybody knows
Everybody knows
That I'm the fake
That can only end it blown
You can say I'm sure to go
But that I only go to show

Yeah you can give my regards
To your house of cards
You're dead in charge
Your embarrassing shards

You can look for me, baby
But baby I'll be long gone

(musical interlude)

Yeah everybody knows
Everybody knows
That I'm the fake
That can only go to blow
You can say I'm sure to go
But that I only go to show

Yeah!
Oh yeah you can give my regards

To your house of cards
You're dead in charge
Your embarrassing shards

You can look for me, baby
Oh baby I'll be long gone
(Look for me, baby)
Oh baby I'll be long,
Look for me, baby
Oh baby I'll be long gone
