This is the darkest day I've seen
I can't find an opening
I've never felt this pain in me
I've never known this anger

I feel like a curse
I feel like I'm getting worse
I'm bored with war in songs
I've been bitter far too long
Come on prove me wrong

Tell me I'm no longer
Tell me I'm not crazy
Maybe just a little bit
Maybe just a little bit crazy
Mostly to prove me wrong

I know there's something in my head
I can hear you insulting me
Thanks for nothing, imagined friends
I can hear you laughing

I feel like a curse
I feel like I'm getting worse
I'm bored with war in songs
I've been bitter far too long
Come on prove me wrong

Tell me I'm no longer
Tell me I'm not crazy
Maybe just a little bit
Maybe just a little bit crazy
Mostly to prove me wrong

I feel like a bomb
Like I'm screwing up my song
It's like I don't belong
No point in going on
Yeah come on prove me wrong

Tell I'm not crazy
Maybe just a little bit

Maybe just a little bit crazy
Mostly to prove me wrong
