Out of order
Keeping quarters
Out of order
Keeping quarters

Yes, indeed, it's time to rearrange
What not is normal in my life used to be so strange
I remember days when it took so much more to slow
me down

I've been lonely too long
I've been lonely too long

Out of order
Keeping quarters
Out of order
Keeping quarters

Straining to see through the fog of all these things
Promises and threats satisfaction guarantee's
I remember days when it took so much more to get me
out

I've been lonely too long
I've been lonely too long

Yes, indeed it's time to rearrange
What not is normal in my life used to be so strange
I remember days when it took so much more to slow
me down

I've been lonely too long
I've been lonely too long

Out of order
