Here we are again and I watch you end  
I wish that I could be more of a friend  
But I've got to go away  
I won't be back for twenty days  
And the way that things are going  
you won't be here when I return  
Can I just stay another day and live?

Live the dream out on the left side of your brain  
(left side of your brain)

Living on borrowed time since the end of the war  
Has sure taught me what every day is for  
Well I've had my share of fun  
and I'm not the only one  
Those days are close to ending  
Oh I'd like to spend  
a month at sea  
I'd anchor just outside the bay and live

Live the dream out on the left side of your brain  
  
(left side of your brain)

Can I just stay another day and live?  
Live the dream out on the left side of your brain  
(left side of your brain)

Can I just stay another day and live?  
Live the dream out on the left side of your brain  
(left side of your brain)

Left side of your brain

Turn around  
Turn around  
don't leave me  
Inside yourself  
Hold me close  
I'm breathing

Ohhhh oh oh oh

Ohhhh oh oh oh  
Ohhhh oh oh oh

Ohh ohh ohh ohh

Ohh ohh ohh ohh ohh ohh ohh

Ohh ohh ohh ohh ohh ohh ohh

Ohh ohh ohh ohh ohh ohh ohh

Ohh ohh ohh ohh ohh ohh ohh
