Silence cause I'm vain
Silence cause my mother thinks I'm beautiful
Silence cause I'm vain
Silence cause I'm scared of this passage of time

Silence as I breathe
Silence as my lungs become a metal box
Silence as I breathe
Silence as I close myself off from the light

Wherein lies my soul?
Wherein lies my soul?
My eyes

Wherein lies my soul?
Wherein lies my soul?
My eyes

Silence when in pain
Silence when my thoughts may cause a slight unease
Silence when in pain
Silence cause the fear it begins with a sound
Silence in the chair where they give me the answers
Silence when Iâ€™m asking a difficult question
Silence cause I already know all the facts yeah
Silence cause I donâ€™t want to hear it today

Wherein lies my soul?
Wherein lies my soul?
My eyes

Wherein lies my soul?
Wherein lies my soul?

My eyes

Wherein lies my soul?
Wherein lies my soul?
My eyes

Wherein lies my soul?
Wherein lies my soul?

My eyes

I can't stand this silence
In oceans of desire
I can't stand this silence
That fear of death is...

Silence cause I'm vain
Silence cause my mother thinks I'm beautiful
Silence cause I'm vain
Silence cause I'm scared of this passage of time

Wherein lies my soul?
Wherein lies my soul?
My eyes

Wherein lies my soul?
Wherein lies my soul?
My eyes

Wherein lies my soul?
Wherein lies my soul?
My eyes

Wherein lies my soul?
Wherein lies my soul?
My eyes

Silence cause I'm vain
Silence cause my mother thinks I'm beautiful
Silence cause I'm vain
Silence cause I'm scared
And I'm scared of this passage of time
