Tolerate me through these difficult times  
You know I'm crazy for you, come on home  
You know I'm crazy for you, come on home

I can't believe some of these things that I've said  
I told my lover that I wished I was dead  
I said our love would never keep me here  
I said our love could never conquer fear

You think I'm angry now,  
You should have seen me then  
But I was sweet before,  
And I'll be back again

You think I'm angry now,  
You should have seen me then  
But I was sweet before,  
And I'll be back again

Don't listen to me when I curse your name  
I'm burning litter on an open flame  
You're feeling heat, and yes I feel the same  
There's nothing in it, just a bitter cry  
Against the forces that won't let me fly  
Against the wind that keeps this desert dry  
But it won't change if I don't even try

You think I'm angry now,  
You should have seen me then  
But I was sweet before,  
And I'll be back again  
You think I'm angry now,  
You should have seen me then  
But I was sweet before,  
And I'll be back again

I can't believe some of these things I've said  
I said I'd rather spend my days in bed  
I can't believe some of these things I've said

Tolerate me through these difficult times  
You know I'm crazy for you, come on home

You know I'm crazy for you, come on home  
You know I'm crazy for you, come on home

You think I'm angry now,  
You should have seen me then  
But I was sweet before,  
And I'll be back again

You think I'm angry now,  
You should have seen me then  
But I was sweet before,  
And I'll be back again

You think I'm angry now,  
You should have seen me then  
But I was sweet before,  
And I'll be back again

You think I'm angry now,  
You should have seen me then  
But I was sweet before,  
And I'll be back again
