Two sparks
Ignition in a box
Too slow for the fire brigade
Young hearts
Dashed upon the rocks
Young love and it's starting to fade
Dark light looking like fox
You look at me in a particular way
Two sparks
Ignition in a box
It's a na na na na
Red sharks circling the box
till now
I was never afraid
Sky locks
Are you ready for the chop
Eyes closed
Now you're part of the blade
Black marks
Better run and never stop
get gone if you wanna be saved
Red sharks circling the box
It's a na na na na
We're gonna burn you
Two sparks
Ignition in a box
Too slow for the fire brigade
Young hearts
Dashed upon the rocks
Young love and it's starting to fade
Dark light looking like fox
You look at me in a particular way
Two sparks
Ignition in a box
It's a na na na na
We're gonna burn you
