Terror!

It's on no time no hope no chance run with your family  
they're coming to kill,  
They hate us they want us all dead they say that the  
white man is evil it's all Allah's will,  
I heard it on TV the news man he scared me he said  
they're here with us we're all gonna die,  
He's threatening terror but there come the terrorists  
the news said the theory even if it's a lie.

Chorus: (Repeat 2x)

Run for your life,  
Dirty bombs,  
No one is safe,  
Anthrax attack no one will survive.

Terror! (Repeat 4x)

Get ready gas masks join up fight back kill them before  
they get here to kill us,  
Suicide bombers they're coming they said it I read it  
they don't care they'll die for their God,  
I know it's the truth the news man on TV said they're not  
even Christian they're not like us,  
They wear turbans and beards speak with an accent  
you see them beware they might have a bomb.

Chorus (Repeats 2X)

I don't wanna die,  
I don't wanna die.

Terror! (Repeats 4X)

Good evening welcome to channel 4 news,  
Attention beware of all middle eastern people,  
They can possibly be terrorists,  
Be very afraid of them!

I wanna live forever,

I don't wanna die,  
I wanna live forever,  
I don't wanna die.

Chorus (Repeats 2X)
