Do you know who you're fuckin with?

The ill niggas!  
You're fuckin with the kill niggas!  
You're fuckin with the hard liquor!  
You're fuckin with the bitch dickas!

I can make ya missin fuckin with the unforgiven,

Run and tell your fuckin mother,

Now you feel your life leavin,  
Yo, your fuckin mom's grievin.

The ill niggas!  
The kill niggas!

Benz mashin, club crashin, high fashion, jewelry

Mic rippin, set trippin, coke boilin, gun oil'n,  
car jackin, head crackin, bank robbin, roof jobbin,  
laser scope'n, hostage ropin,  
known to get your safe open,  
shoot you in your back nigga, the hair trigga.  
Banana clip loader, LAPD get my fuckin folder,  
known killer, jaw sweller, feds dug up my fuckin cellar.  
Drama maker, law breaker, violent talker, pig stalker,  
Shot gunner, drug runner, blowin up this fuckin
