You want me to stay but I'm far away  
Our time is gone  
Count Me Out  
You say I'm the one who's changing all the time  
And I guess you are right  
You say I'm not the guy I used to be  
It makes me proud  
Count Me out  
Cause you're a prisoner of your own yesterday  
I'm far away  
Count Me Out

Take a good look around this is my home town  
I don't live here no more  
The same old streets and stupid faces - nothing  
changes  
Count Me Out  
It's a Sunday morning  
They're washing their cars  
Nobody's home  
Yesterday is just like tomorrow  
Same old sorrow  
Count Me Out

You better Count me out  
Count Me Out

Maybe I'm wrong, just another wayward son  
As long as I run  
Count Me Out  
I don't know but feel I'm on my way  
Making my day  
On my own

When you think I'm the one to play it cool  
When you think I'm the fool you better count me out  
You better think twice and treat me nice  
Cause otherwise you better count me out

Count Me Out  
Count Me Out
