Those days  
We mooched around counting girls go by  
We wasted the time and let the sun shine  
Those days we hung out with friends  
And so we dirted our face but now we rise up again

These days  
We've reached the top of the stage facing good times  
And we follow the road get on a hookline  
And boys we fiddle around forever sticking it out  
Together we sing along, we sing along, you sing along!

Folk's not dead! So rise up higher  
Folk's not dead! And we take off now  
Folk's not dead! Let's get our skates on  
Folk's not dead! For singing louder

Those days  
When we cruised around and got the wrong lines  
And we don't give a damn about the bad signs  
So we went down the drain  
Acting like dirty dweebs but here we stand up again!

These days  
When we kick off the ball having a good day  
And we fight for our rights taking the big pay  
Boys we are one so let's get out and about  
Together we sing along, we sing along, you sing along

Folk's not dead! So rise up higher  
Folk's not dead! And we take off now  
Folk's not dead! Let's get our skates on  
Folk's not dead! For singing louder

Folk's not dead!  
Folk's not dead!  
Folk's not dead!  
Folk's not dead!  
Folk's not dead!  
Folk's not dead!

Folk's not dead! So rise up higher  
Folk's not dead! And we take off now  
Folk's not dead! Let's get our skates on  
Folk's not dead! For singing louder

Folk's not dead!  
Folk's not dead!  
Folk's not dead!  
Folk's not dead!  
Folk's not dead!
