My baby left me now I'm on my own
I don't know what happened
But now I'm all alone
There's a cold wind blowing straight into my face
I was a fool to let you slip out of my embrace
I see a bad life waiting there for me
A desert in my soul I see a bad life
Waiting there for me
My baby's gone
And I guess that I was wrong

To let you go
My baby's gone
So I switch on my TV
I wanna see
Love forever
No one to follow no one to follow me
No one to guide me so what's it gonna be
And no one's waiting for me I'm waiting all the time
No one's here to give me a dollar for a dime
