would you swim in this water?  
would you swim in this water?  
infected eyes smother us to death  
hold on tight..  
hold on tight..

until the sun moves around the earth  
we will destroy those who come for earth

would you drink from this water?  
would you drink from this water?  
infected eyes are watching over us  
hold on tight..  
hold on tight..

until the sun moves around the earth  
we will destroy those who come for earth

it's cold when i ... ?

this broken... ?

until the sun moves around the earth  
we will destroy those who come for earth
