[Talking]

I would like to welcome everybody today

First, before I get into my speech...because I do have a speech

The sounds you are listening to are provided by Kid Joe

Ah yea...I'm Shawn Jay and I want to make a special announcement

For all the baby mamas

I see you bitch [laughing] You too bitch

Baby, baby, baby you know I love you

Baby, baby, baby you know I love you

SHUT UP

I hate you so much right now [8X]

[Shawn Jay]

Lemme calm down

I think I need to smoke one

Ya messin with my nerves

I gotta get away from you

Battle of sexes, more beef then summer jam

Both blamin each other, pointin fingers like Uncle Sam

I be chillin man ... she just flip on some ol' shit

Woman hold a grudges like piss on a road trip

She be answerin my phone like she stay in my crib

Worryin' about who's callin like she payin my bills

Complain complainen every day and I feel

You gon' have to be happy with callin' me baby daddy

No mo' ridin and kickin' it... blowin dro in the caddie

You had me...no more (YOU KNOW I LOVE YOU BABY)

What ? bitch I ain't ya (BABY) bitch I ain't ya (BABY)

(YOU KNOW I LOVE YOU)

SHUT UP

I hate you so much right now [8X]

[Shawn Jay]

Lemme calm down

I think I need to smoke one
Ya messin with my nerves
I gotta get away from you
Kinda remind me of a dream
I never had but wish'd I would've
Pathetic like a diabetic... see, I miss her suger
But not the temper tantrums
One minute you love me, the next you mad hollin' fuck
me
U-G-L-Y no alibi yo attitude is ugly
Cut up all my clothes
This chick is kinda coo coo
Nah I ain't hit her but I shook her like a Yoo-hoo
I...I caught myself I turned to her
Baby I don't wanna Ike Turner ya

But she want me to catch a charge
Lied to my...she shoved me
Lied to her friend ... he just hit me cause he love me

I hate you so much right now [8X]

Lemme calm down
I think I need to smoke one
