[ VERSE 1: MC Breed ]

Big city lights, big city name  
Where the only thing you know is the dope-dealing  
game  
Makin that money just as fast as you can  
And this pride is yours in bein a (dopeman)  
Rollin big cars and carryin big knots  
Niggas pushin Benzes with the drop-tops  
Bitches all around, all over the place  
Eyes open wide for a sap to chase  
They just lookin for a fool to pay the rent  
But bitch, you're dead wrong, you won't get a cent  
Girlies out there, they don't know my name  
MC Breed and that's me and that's one and the same  
I went from pushin ki's of pure d caine  
To writin def lyrics for the Underground Slang

(Money bustin out my socks) --> Kool G Rap

[ VERSE 2: MC Breed ]

The U-n-d-e-r-ground  
Punk, don't make a sound  
DFC comin through like: move!  
Cause ain't shit for my posse to prove  
Poppin caps don't matter, brain cells scatter  
We head away on a 20 ft. ladder  
Free as a bird, time to pass go  
The posse break out, and T's drivin real slow  
Lights start flashin all in my face  
Red said "Fuck it," and began to race  
Went 20 miles up, ridin through [Name]  
T looked at me, said (peep the gas tank)  
To hell with it, pull on the side of the road  
"Get our of your jeep!" - man, you are cold  
I yelled out the roof: "Fuck you hoes!"  
We paid 20 grand for bullet-proof windows  
2 ounces of dope in my fix-a-flat  
2 rounds of ammo for my personal gat  
Killed a 8 Ball, I'm ready to go  
The sounds of flashing nine made my blood flow  
(\*shots\*) Jumped on the roof and sprayed the

beamlight  
20 dead cops who ain't nothin nice  
People don't know us, and they call us a gang  
But we fo' raw niggas from the Underground Slang
