We came up from the bottom to the top started wit the  
rocks  
Used to sell 'em to the fiends now I got 'em in my watch  
Two years off the scene heard enough of ya fuckin'  
trash  
We returned now to make you suffer like succotash

Run up and the pump'll blast my niggaz is dopin'  
I'm the film in the camera nigga picture me rollin'  
Picture me blowin' trees chiefin' purple daily  
Weeds no seeds call it Virgin Mary

Chevy they say we broke up  
(Oh, yeah)  
But we do shows and split ends like blow dried hair  
Hold up Joe stop the song  
(What)  
Field Mob the answer to the question  
What if Big and Pac woulda got along?

Put us on whoever song fast slow no facade  
Getcha Bible check the credits Shawn go slow for God  
Wit that said I been blessed oh man  
The chain red like a caffeine free Coke can

So damn the critics y'all really fake  
We got hotter 16s than than R. Kelly tape  
Make cheddar when I grab the mic see when the Mob in  
town  
Hoes go out in bad weather like a satellite

Never have to ask 'em twice do it for the fuck of it  
Anything pop a pill drink a lil suck a dick  
Who you wit fuck ya click stay in ya place  
Charlie Murphy what did the five fingers say to the  
face?  
(Slap)

Wrap more than a Egyptian coroner ya rhymes are

Listenin' to you is like watchin' wet paint dry

Ya lyrics I bet they taste sweet  
Stop spittin' them Kit-Kat candy bars and give me a  
break please  
Start writin' ya rhymes yaself as a matter of fact  
Here's a mirror and a map go and find yaself

'Cause you been fake you frontin' like you did time in  
the state pen  
But really was a nerd at Penn State  
Cut the bullshit ya not a hustler  
Y'all remind me of where I rent my DVDs at y'all some  
blockbusters

Confessin' like Usher soft as baby food  
Fixin to get us off the block like star 82  
Mad 'cause I'm comin' up and you ain't and I'm buyin'  
stuff that you can't  
I ain't 50 Cent but I got bucks in the bank

And I got a million dollar dick bitch wood worth a lot of  
cash  
If I fuck her in the butt she have money out her ass  
Claimin' you pimpin' but ain't got one bitch  
The only hoes is the one you water ya lawn wit

To you hoes that fuck for fun and the ones that fuck for

fetti

If you ain't finna fuck Shawn then you ain't finna fuck  
Chevy
