I know it's the way that is goes I can't help but wonder
'Cause you're insecure Why you have to put something
down I don't know why should I complain Can't wait to
say There's nothing to say or do You've been thinking
too Can't wait to say to you Can't wait to say I've
thought about nothing I thought about reasons to try
But I won't pretend It's so hard to have faith in these
times I don't know there's no one to blame There's
nothing to say or do Can't wait to say Can't wait to say
to you Can't wait to say Can't wait to say to you You've
been thinking too You've been thinking too You've been
thinking too Can't wait to say Can't wait to say You've
been thinking too.... much
