I fucked up with a guy called Bill
I owed him money he supplied the pills
He said, You'll never know yourself, you'll never try
You'll never know yourself, you'll never try

I fucked up with a dude called Ray
I never thought I'd feel this way
He said, You'll never know yourself, you'll never try
You'll never know yourself, you'll never try

Deceive me
But I will never let you go
Deceive me
I messed up with a guy called Joe
Being high and nowhere to go
He said, You'll never know yourself, you'll never try
You'll never know yourself, you'll never try

Deceive me
But I will never let you go
Deceive me [x2]

You'll never know, you'll never know [x4]

Deceive me
But I will never let you go
Deceive me [x2]
