I left MTL and my babe behind  
There's anarchy on the highway one more time  
5 Australians and a Greek in the van  
Travelled across the world just to drive across this land

Let 'em loose, let 'em loose  
Start her up and hit the juice  
Let 'em loose, let 'em loose  
Start her up and hit the juice and  
Hope to God we don't hit a fuckin' moose

Endless highway and cigarette butts  
Bloodshot eyes empty coffee cups  
Been driving for a thousand clicks  
And now I'm getting pulled over by the pigs again  
(Fuck)

Feel the tension in the van  
Unless you've done it you'd never understand  
Gotta make it to the next show  
Sleep deprivation overload

Let 'em loose, let 'em loose  
Start her up and hit the juice  
Let 'em loose, let 'em loose  
Start her up and hit the juice and  
Hope to God we don't hit a fuckin' moose

Anal vapours  
Smelly socks  
Sleeping on a pizza box

Wasted in a bar  
Vancouver B.C.  
Swilling back the brews  
Reflecting on the journey

It was long and hard  
And that's a bloody fact  
Only problem now  
Is I gotta drive back

Let 'em loose, let 'em loose  
Start her up and hit the juice  
Let 'em loose, let 'em loose  
Start her up and hit the juice and  
Hope to God we don't hit a fuckin' moose
