(This is a duet, between Lemmy from Motorhead and Kelly from Girlschool, taken from the "Headgirl" EP)  
Don't you touch me baby 'cause I'm shaking so much  
Don't you touch me baby 'cause I'm shaking so much  
Don't you touch me baby 'cause I'm shaking so much  
Don't you touch me baby 'cause I'm shaking so much

(Lemmy)

Well there ain't no other woman that can make me feel  
this way,  
Gets up close, you know I just ain't got a word to say.

Please don't touch I shake so much,  
Please don't touch I shake so much.

(Kelly)

Well I get so nervous when I see his eyes that shine,  
Gets too close and a chill runs down my spine.

Please don't touch I shake so much,  
Please don't touch I shake so much.

(Lemmy)

I don't know why she's got her claws in me,  
'Cause I ain't fighting baby, can't you see,

(Both)

Sneaking up the stairway, running like a thief,  
Spend the night shaking like a leaf,

(Lemmy)

Oh I remember the first time I took her to a cheap  
motel,

(Kelly)

Well I woke up drunk, you know I felt like Eskimo Nell.

Please don't touch I shake so much,  
Please don't touch I shake so much.
