When you think of how It may change If everyone was
just like you Would it satisfy To see the world change
for you You're not so strong Maybe for a while You'd sit
back and laugh but Not for very long realising that
Wake up and see Wake up and Realise Fucking
categorise Don't fantasise People from what they own
Don't ever try To see through my eyes 'Cause you'll
never understand Wake up and see I can see through
your eyes Wake up and You're the one I despise Wake
up and see, wake up and see Wake up and see, wake
up and
