"Got To Get The Nerve"

Have to sustain
Got to find the time
Got to get the nerve
Got to get the nerve

Got to sustain
Get the time to think
Got to have the nerve
Got to have the nerve

Got to get the nerve
Got to get the nerve

Got to conduct
Did I ever really care
If the only way is up
Do I have to start again

Got to get the nerve
Got to get the nerve

Got to come unstuck
I'm twisted like a knot
Is twisting all there is
Cos' twisting's all I've got

Got to get the nerve
Got to get the nerve

Got to get the nerve
Got to get the nerve
Got to have the nerve
Got to have the nerve
