How many arms have held you
And hated to let you go
How many, how many
I wonder (I wonder)
But I really don't want to know

How many lips have kissed you
And set your soul aglow
How many, how many, I wonder
But I really don't want to know

So always make me wonder (wonder)
Always make me guess
(Make me guess)
And even if I ask you
Darling, don't confess
(Don't confess)

Just let it remain a secret
But, darling, I love you so
(Love you so)
No wonder, no wonder I wonder
Though I really don't want to know

Though I really don't want to know
