~~~~~

The Preacher says to all his men: I hear Godly laughter  
Can it be the end?  
With eyes on fire, couldn't be so cold  
I hear Godly laughter, let it be the end  
Let it be the end  
Well I hate your conscience, Let's skip this world  
I hate  
your Gods people who breed on earth {I hate your God  
he put me/  
Over to the other side, I'm caught stepping out  
Greed on earth}  
Over to the other side, Save your brothers now  
Let it be the end  
Eyes, eyes, eyes, eyes  
{Possibly: Ice!}  
Honest me

In all my dreams, I hear Godly laughter  
Unleash your souls, The Faceless knows

I hate your Gods people who breed on earth
