"Power"

Power...
Power feeds you long,
Loving hours
I can give everlasting power
Flower...
The world opens
You need simple flower
A feeling, a feeling all so sour

Drain me, now drain me
From power
Drain me, now drain me
From power.

Oh, the wide open stench of all - so sour.
I can't give, but I receive for hours
Oh...

Drain me, now drain me
From power
Drain me, now drain me
From power.

Drain it - static from the attic,
Attic walls...
Oh...

Drain me, now drain me
From power
Drain me, now drain me
From power.

Drain it - static from the attic,
Attic walls...

A power, so somatic
See the heart is burning -
I call it static
(attic walls...)
I need static
So charismatic

You're so tragic -
My love's so manic
(attic walls...)
I have the power
Use it, frantic
Your body's turned -
I'm systematic
(attic walls...)
See my touch,
Those who cower
Drain me of
My breathing hours
(attic walls...)
