Come and stake your claim Lord said to his [fate?] Id use up all my wealth To compensate for health

The tunnels on the brain Just wont stay the same I withdraw from myself With words and little else

If i called [ ]
The place we began
When i call your name
Will you stay the same

Body is at war Skulls and flesh and more Pressure take my head Take blood from me withdraw

Needles in my brain I just cant feel the same Id use up all my wealth To compensate for health

If i called [ ]
The place we began
When i call your name
Will you stay the same

If i called [ ]
The place we began
When i call your name
Will you stay the same

If i called [ ] The place we began When i call your name Will you stay the same
