~~~~~

When the moment's right  
Only moments rise  
For a lesser blessed  
It'd all promises  
When the donors rise  
From their comas rise  
For a lesser blessed  
It seems honest here  
Chorus  
Celebrate, Give love and praise  
Celebrate, For our lesser days  
Obsessions in your eyes  
The peril of my life  
Where others fall  
You came back again  
With no grace in mind  
See them make him blind  
For a lesser God  
We seem honest here  
Bridge And you turn  
You find new highways  
And you'll turn  
The lady you'll bu  
rn  
This moment's all  
You have it there  
This moment hangs  
Like your ragged hair  
Celebrate, Give love and praise  
Celebrate, For our lesser days  
When the moment's right  
Only moments rise  
You turn a sea mood silence  
The shadows of mankind  
And  
you'll turn  
You find new highways  
And you'll turn  
You find new highways  
Celebrate here  
Celebrate yeah, please, for all you changed me

Celebrate yeah  
Celebrate yeah  
Celebrate for our lesser days  
Love Under Will  
Taken from The Watchman (edit  
ion 1)

~~~~~  
I need to be alone tonight
Smother me or suffer
Lay down I'll die tonight
Smother me or suffer
When I'm gone, wait here
Discover all of life's surprises
When I'm gone wait here
I'll send my child my last good smile
If you pass through my soul tonight
Gather all his troubles
Tomorrow's long eternal night
Gather for tomorrow
When I'm gone wait here
Discovers all of earth's surprises
When I'm gone wait here
I'll send my child my last good smile
Chorus:
Between the cracks
and hollows -

the earth is good, the earth is good
Between the cracks and hollows -
the earth is good, the earth is good
Lay down, lay down, lay down for me
Lay down, lay down, lay down with me
When I'm gone wait here
Discover all of life's surprises
When I'm gone wait here
I'll send my child my last good bye
Chorus:
Hey embrace me, someone's gonna suffer
Lay lay lay it on lay lay lay it on me

Someone
Hey embrace me someone's gonna suffer
{Repeat to fade}
Sweet dreams my Angel
At last
Sweet Dreams
Last Exit For the Lost (Straight from album cover)

~~~~~

Would you pay lifes pleasures to see me?  
Does it hurt, for I want you to remain?  
I run your hair through, in another decade  
Summerland holds me, in  
Sumerian haze  
Pain in places, where the lovers mourn  
Arranging the play things, up and down the hall  
Forever Remain, for every day  
My honour remains, Forever Remain  
Between the spaces along the wall  
Appearing faces that disappear at dawn  
We're ge  
tting closer, i can see the door  
Closer and closer, Kthulhu calls  
Forever Remain, Forever Remain  
You'll seek it, it'll take a while  
You'll seek this, if it's a thousand miles  
Take what fate brings, eternal and desire  
I'll change those faces, then I  
take their smile  
We're getting close to you, i can see the door  
Closer and closer, or is it there at all  
Forever Remain, Forever Remain  
This could be my last regress, Last Exit for the Lost  
This could be my last regress, Last Exit for the Lo  
st  
This could be my last regress, Precious for the lost
