Cutting razors and violence
Recalling cutthroats razor sin
We're watching heaven as the sun goes down
I watch the sun burst it hits the ground
You've gone too far

Dawnrazor's falling brush their skin
Dawnrazor's falling brush their skin

Dawnrazor
Dawnrazor well now
Dawnrazor
Dawnrazor well now

Dawnrazor's falling brush their skin
Dawnrazor's falling brush their skin

Only dreams survive been lost before
Only dreams survive been cut before
Cutting razors and violence
Recalling cutthroats razor sin
You've gone too far

Dawnrazor's falling brush their skin
Dawnrazor's falling brush their skin
Dawnrazor's falling brush their skin
Our dark angel has fallen brush their skin
