Would you pay life's pleasures to see me?  
Does it hurt for I want you to remain?  
I run your hair through in another decade  
Summerland holds me in Sumerian haze

Pain in places where the lovers mourn  
Arranging the play things up and down the hall  
Forever remain for every day  
My honor remains, forever remain

Between the spaces along the wall  
Appearing faces that disappear at dawn  
We're getting closer I can see the door  
Closer and closer Kthulhu calls  
Forever remain, forever remain  
Forever remain, forever remain

You'll seek it, it'll take a while  
You'll seek it if it's a thousand miles  
Take what fate brings, eternal and desire  
I'll change those faces oh when I take their smile  
We're getting close now, I can see the door  
Closer and closer or it's not there at all  
Forever remain, forever remain  
Forever remain, forever remain

This could be my last regress  
Last exit for the lost  
This could be my last regress  
Last exit for the lost  
Last exit for the lost  
I'd gain lost some for all the last  
I'd gain lost now, forever lost  
This could be my last regress  
Precious to the lost  
This could be my last regress  
Precious to the lost  
And we're getting closer and we're getting close now  
Last exit for the lost  
And we're getting closer, closer and closer  
Last exit to the lost  
Last exit to the lost

[Incomprehensible]  
[incomprehensible]  
My last exit  
Closer, closer and closer  
Closer
