The Fields of the Nephilim

=====

Psychonaut

~~~~~

Revision 4. 11 Feb '93.

(Kind of) Transcribed by John Mc Donagh

(mcdonghj@unix2.tcd.ie)

Particular thanks to Robert Schmitz who types in \*most\*  
of the lyrics for

Psychonaut from the Watchman. Also thanks to Spiggy  
who is on the search for  
all of the chants. (She got the 'Xi dingir...' bit at the  
end.)

Psychonaut (lib III)

~~~~~

Pray now for how long

We're falling from ecstasy

Like changelings

Fr

eedom returned for new souls

Here or after

Well enrapture me and i'll change

I stand alone inside you

I stand alone the skies bruised

Let it spill from my mouth

Sweet nectar for a thousand young

Are you ready for this -

Here i come

Pray now f

or ours, pray for me

who could you love

{Subtly sounds like: Cthuthlu}

We're falling from ecstasy

And you deserve us Leviathan

you deserve us Leviathan

What are children now, but our curses come

And glory days, our kingdom come

You look ol

der, time stalls

Freedom sold us

Pray now for how long

Pray for me, who could you love

We're falling from ecstasy
And you deserve us Leviathan
You deserve us Leviathan
Pray for me
Let us gather hallucinations from our private minds
Let us witness
the reincarnation of the Sun
{Misc. chants}
Leviathan
May the mountains shake you to the core
Xi dingir anna kanpa, Xi dingir kia kanpa...
{Envea rechne..}
{Ad lib the chants... switch kia/anna}
Pray for Leviathan, Leviathan
Pray
for Leviathan, Leviathan

Pray for Leviathan, Leviathan
Pray for Leviathan, hear them come
Pray now, pray now, yes I do
Pray for me, pray for me
And you deserve us...
And you deserve us...
Celebrate (second seal)

~~~~~

When the moment's right  
t

Only moments rise  
For a lesser blessed  
It's all promises  
When the donors rise  
{daughters??}  
From their comas rise  
For a lesser blessed  
It seems honest here

Chorus

Celebrate, Give love and praise  
Celebrate, For our lesser days  
Obsessions in your  
eyes

The peril of my life  
Where others fall  
You came back again  
With no grace in mind  
See them make him blind  
For a lesser God  
We seem honest here  
Bridge And you turn  
You find new highways  
And you'll turn  
The lady you'll burn

This moment's  
all  
You have it there  
This moment hangs  
Like your ragged hair  
And you'll turn  
You find new highways  
And you'll turn  
You find new highways  
Celebrate here  
Celebrate yeah, please, for all you changed me  
Celebrate yeah  
{here?}  
Celebrate yeah  
Celebrate for our lesser days  
{Fantastic Instrumental part}
