~~~~~

The war is passed  
Now she tells him again  
You should fetch the plans  
The [  
, the [  
] you see  
Leeway  
Like the sun over the closing door  
Whispered Caroline, walks down the steps  
So feel the pain, feel the pain  
The Heathen, the  
Heathen  
Like the Heathen, the Heathen  
From the crowd "Come Children of the Called"  
And in the sect, they hurry around the closing door  
So feel the pain, feel the pain  
The Heathen, the Heathen  
Like the Heathen, the Heathen  
The Heathen...  
{R  
epeat}  
Like the Heathen  
Like the Heathen  
God look out for the Heathen  
The Heathen...  
{Music Speeds up}  
One more nightmare calling  
Across the farthest fields  
The night skies are dawning  
Takes this much as you  
Trees come down  
(x4)  
Fall...  
There's a girl in a green dress  
She's got eyes like fire and lips so tame  
She's huddled by the girl who's crying in the red dress  
Hunger for life in this dying dying age  
Dying age  
(x3)  
This dying age  
(x7)

Back in Gehenna {Corrected from 'Laura' LP, NB:  
Returning to Gehenna

~~~~~

is different}

All great plains of the Earth
Are now lightened by fire
Now gather on the wrecked land
From these horsemen in iron
This is fear
You've all turned
up
Now the atmosphere
Is thicker than blood

From Gehenna to here
A release of sin
It's become our lair
We
The Nephilim
Room full of people
Now scarred and distressed
The time's now happened
And the captured in a mess
The girl in the shawl
Crashes to the floor
Crying: "Open the gates
To the Devils' hordes"
See the woman thrive
In the blood from Heaven
Burn in banished fire
Like a scene called Hell
See the bloody fire
To you is forsaken
Burn this banis
hed fire
Burn
Burn Hell

Centred by the arts

Most brutally

People are scarred

By cruelty

Oh...
When malevolance falls
{?????}
And what about ours
This message is clear

Now open up the ground
See the woman thrive
In the blood from
Heaven
Burn in banished fire
Like a scene called Hell
See the bloody fire
To you is forsaken
Burn this banished fire
Burn
Burn Hell
Burn Hell...
Burn Hell!
