Mr. Jealousy has returned
Yearning, yearning
Mr. Jealousy has returned to reality
All secured by humanity
You're living in danger
Mr. Jealousy has returned your hurting me
Can't you see?
Our love is in danger
Living inside her this love volcano
Now burn inside her this love volcano
Living inside her this love volcano
Now burn inside her this love volcano
Mr. Jealousy has returned
Mr. Jealousy has returned
Living inside her
Now burn inside her
Volcano
Walk on
Volcano, Volcano, Volcano
Yearning
