Burning my soul,
Corrupting mind,
Stream of the glow
Crease can not find.
Hands dripping red - I saw itâ€¦
My cheeks were wet - I felt itâ€¦
On knees I fell - behind Past,
Which will be turned to dust!

Purchasing Pain,
Crushing Your will,
I dance in rain,
Rain that You feel.
Cilia's breath - I hear itâ€¦
Price was the kiss - I taste itâ€¦
And proudly I stand -on feet now,
Laughing at "HOW?!"

The birth of new day
Will show the right path, which was yesterday wrong
out and awayâ€¦
You have Your own Faith,
But it can't save Your sanctuaries 'cause I will lead You
astray!

I walk ALONE!
I'm dead! I'm Fiend!
Scythe is stoned!
I'm dead! I'm Fiend!

Nailing yourself
To the vain cross,
Smelling the Death,
Game and Your loss.
Please, help me, God! - Fear drinks Your senses
Is it the mud?! - Blood mixed with Lieâ€¦
Where is defence? - Too mad glanceâ€¦
That's my Romance!

The birth of new day
Will show the right path, which was yesterday wrong

out and awayâ€¦
You have your own Faith,
But it can't save you sanctuaries 'cause I will lead you
astray!

I walk ALONE!
I'm dead! I'm Fiend!
Scythe is stoned!
I'm dead! I'm Fiend!
