There are a lot of ways  
To hear my final step...  
To see the bloody trace,  
Or rope around pale neck  
And now I hear the voices,  
Which're still trying to find  
My last hope, which was buried  
In your crying green eyes!

I watched that stream of dreams,  
It'll never flow into the Sea...  
...The Sea of Real realms...  
Where I once was so free...  
My empty eyes trims Dawn  
Filled of new-born rays of Light  
This final dance on bound  
Will be the chorus of its sight.

This is my addiction.  
This is my compassion  
This is my rejection  
This is my chaos  
This is my addiction.  
This is my compassion  
This is my rejection  
Like the cry of Eos...

These are my last words to say  
But only Wind can hear my pray  
The song was sang, Romance's fey  
And even Gods will not find the keyâ€¦
